## FAQs

### What is Perq?

Perq is the MBTA program that lets companies provide T passes to their employees. You can help employees get passes with pre-tax dollars, avoid the hassle of renewing passes each month, and avoid administrative fees.

### What can I tell my employees about Perq?

There are many built-in benefits to having a monthly pass through Perq, including convenience and tax savings. Employees can also save on car costs, parking, and their time stuck in traffic. Plus, it's not just for their commute – they can use a T pass to take in the sights of the city on weekends, too.

### What services does Perq offer passes for?

Subway

Ferry

Commuter Rail

Bus

## Some employers we work with say:

Perq simplifies transit benefits

“It’s way easier than other vendors... because we’re dealing directly with the MBTA.”

Perq lets employers compete with their peers

“Commuter benefits are becoming standard across our industry – people expect it. If we don’t, [another big pharmaceutical company] will.”

Tax savings make employees happy

“They say, ‘Great, I’m winning something! Something is good!’”

Transit can be as relevant as health care and retirement

“Our employees aren’t retiring here. They’re turning 26 here.”

There’s an environmental benefit, too

“We’re just making it easier for people to not drive.”

“  
**We’re just making it easier for people to not drive.**”
