EVENT DESCRIPTION

The Codman Yard Expansion and Improvements project will take place at Codman Yard located in Dorchester, Massachusetts. The project will have several benefits for riders including expansion of the yard by six (6) tracks to add capacity for additional trains and accommodate the anticipated new Red Line trains. In addition, existing yard components will be replaced to improve service reliability and safety, reduce maintenance costs, and achieve a state of good repair.

The purpose of this meeting is to present a project overview and timeline, and provide project updates. Time will be allotted for Q&A session following the presentation.

For more information, to register, or to ask the project team questions, please use the following link:
