

Please Join the Capital Transformation Team for the
Codman Yard Expansion and Improvements Project
Virtual Public Meeting (via Zoom)

Thursday March 10, 2022 at 6:00 PM

Please join the Capital Transformation team for an online public meeting to learn about the **Codman Yard Expansion and Improvements project**. This project will expand the yard by six tracks which is critical to accommodating the new Red Line fleet. In addition, the improvements made to the yard will create safer and more frequent service for all Red Line riders through increased capacity, improved reliability, reduced noise and light pollution, and upgraded safety.

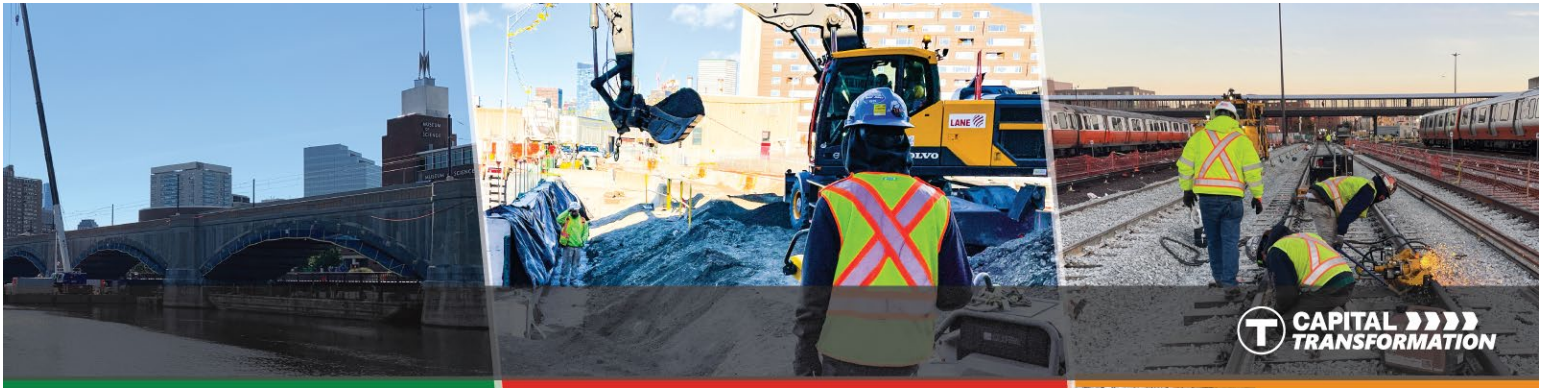

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers.

- **Instructions on how to join and participate will be posted on the project website under 'Upcoming Events' ahead of the meeting: [mbta.com/CodmanYard](https://www.mbta.com/CodmanYard)**
- The presentation will be posted on the website ahead of the meeting. **A recording of the meeting will also be posted for those who are unable to attend.**

You can also email questions anytime to RLT@MBTA.com. To learn more about the Red Line Transformation program, please visit www.mbta.com/RLT and subscribe to our weekly email updates at https://bit.ly/rlt_eblast.

Accommodations: These meetings are accessible to people with disabilities and those with limited English proficiency. Accessibility accommodations and language services will be provided free of charge, upon request, as available. Such services include documents in alternate formats, translated materials, assistive listening devices, and interpreters (including American Sign Language).

For accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), fax (857-368-0602), TTD/TTY (857-368-0603) or by email at MASSDOT.CivilRights@dot.state.ma.us by **March 3, 2022**.

The mission of **Capital Transformation Programs** is to improve the quality of service for MBTA riders and neighboring communities through strategic capital investments.

Codman Yard Expansion and Improvements

Project Overview

The improvements at Codman Yard will allow crew members to move trains throughout the yard more efficiently, increase service frequency, and create additional vehicle storage for the future expanded Red Line fleet.

Benefits

- ✓ **Increased Capacity:** expanding the yard by six tracks will create additional space to accommodate the future Red Line fleet
- ✓ **Improved Reliability:** replacing yard components will improve safety, service frequency, and reliability, reduce maintenance costs, and achieve a state of good repair
- ✓ **Reduced Noise & Light Pollution:** replacing track will reduce noise as trains move throughout the yard and upgraded lighting will reduce unwanted light spillover into adjacent residential neighborhoods
- ✓ **Upgraded Safety:** Improving the fence around Codman and upgrading security cameras will create a safer yard for employees and neighboring areas
