

Perq: Your MBTA Commuter Benefit

Save money on your commute with Perq, an MBTA commuter benefit through your employer.

- ✓ Skip the lines and buy a monthly T pass directly from your employer.
- ✓ Pay for your pass using pre-tax dollars. The effective discount is equal to your tax rate, typically around 30%. This means more money in your wallet.
- ✓ Passes renew automatically, so you don't need to worry about buying a new pass each month.
- ✓ Some employers subsidize passes. Check with your employer for the terms of your Perq benefit.

Explore Your Pass Options

We have pass options for riding commuter rail, subway, bus, and ferry. Contact your employer for pricing and to sign up.

The way you receive your pass will depend on how you ride:
