We're replacing the bridge that carries the Franklin Line over East Street between Dedham Corporate Center and Endicott Stations. The new bridge will meet the MBTA's reliability and modernization needs.

Please join us for an online public meeting where we will provide an update about the Dedham East Street Bridge Replacement Project. At this meeting, we will present an update on design plans for the bridge and next steps.

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers. Please pre-register for this meeting at the link to the left. After registering, you will receive a confirmation email with information about joining the meeting. A recording of the meeting will be posted after the meeting for those who are unable to attend. You can also email questions to EastStBridge@mbta.com
