The page features a blue header with navigation links for 'Transit', 'Fares', 'Contact', and 'About', along with an 'English' language selector. The main content area includes a photograph of an accessible elevator at Government Center station with a person in a wheelchair. Below the photo, it states 'An accessible elevator at Government Center station'. Key statistics are listed: 'Design contracts awarded: Summer 2020', 'Total value of design contracts: \$34 million', and 'Status: 30% design complete'. The section 'Elevator Replacements and Renovations' explains the goal to provide greater accessibility and convenience by renovating or replacing 27 elevators in nine stations. A list of rider benefits includes full accessibility, greater safety, more reliable service, improved circulation, and enhanced customer experience. A 'Davis Station' section highlights 'Davis Station Accessibility Improvements - 30% Design' with a recorded project overview from March 2022, managed by Eitan Normand.
