

Winchester Center Station Accessibility Improvements: Work & Traffic Advisory

What: Steel beam placement for the Winchester Station bridge over Waterfield Road.

Where: Waterfield Road between approximately Church Street and Thompson Street.

Dates:

- Tuesday, December 26 – Friday, December 29

Work hours: 9am-3pm

What to Expect:

- Lane closures on Waterfield Road.
- Intermittent traffic breaks with flagger support.
- 1-2 days of work is expected during the above timeframes.
- Truck deliveries and the staging of a crane along westbound Waterfield Road.

We appreciate your patience as we work to complete this important accessibility improvement project.
