Please join us for an online public meeting for an update on the **Newton Commuter Rail Stations Accessibility Improvements Project**. This project focuses on providing new, fully-accessible platforms for three existing Worcester Line stations in Newton: Auburndale, West Newton, and Newtonville.

In this meeting, we will:

- Review the project overview and existing conditions
- Provide a project update with information on the reduced scope
- Discuss the Newtonville station, grant funding opportunities, and next steps

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers. Please pre-register for this meeting at the link. After registering, you will receive a confirmation email with information about joining the meeting. You can also email questions to NewtonCR@mbta.com.
