## Staying safe around railroad crossings and busways.

### Pedestrian safety

- Never walk along the tracks or in a busway.
- Look both ways before crossing tracks or busways.
- Cross tracks and busways only at marked pedestrian walkways.
- Don't try to beat the train or the bus.

### Driver safety

- Obey all warning signs and signals.
- Never drive around a lowered gate.
- Don't drive over the tracks until you're sure there's room for your car on the other side.
- Don't drive in the busway.

## Mantenerse seguro alrededor de los cruces de tren.

### Seguridad de los peatones

- Nunca camine en las vías del tren.
- Mire ambos lados de la vía antes de cruzar.
- Cruce las vías solo en los lugares designados.
- No trate de ganarle al tren.

### Seguridad de los conductores

- Obedezca todas las señales de tránsito.
- Nunca se aproxime demasiado a las vías cuando la barrera esté baja
- No conduzca sobre las vías del tren hasta que esté seguro de que su coche tiene suficiente espacio del otro lado de la vía.
- No maneje en el carril del autobús.
